### Highland Police Department Awareness Campaign

August 10, 2020

As most everyone is aware, there was widespread looting that took place in downtown Chicago early this morning. We have just learned that as a result of this and to prevent such events taking place along the business districts that border Illinois and Indiana, the communities of Calumet City, Lansing, and Munster are closing off access to their communities at some key access points along I-80/94.

We want you to be aware of this so we are reaching out to certain businesses retailing higher end merchandise and other retailers in our retail corridor in and around the Highland Grove Mall which could possibly be at a higher risk. Should anyone see any suspicious activity, you are encouraged to call 911 immediately.

We have added additional police staffing and we are working closely with our neighboring police departments to monitor the ongoing events.
